Congress, meetings & conferences

Telereserva

A well-chosen partner can make all the difference for your event!

We will use our knowledge, experience and contacts in order to find an ideal place for you.

Telereserva must be able to accommodate all requirements including capacity, lighting, audio-visual, decor, etc.

The welcome reception

Your first social function, is a lively, informal gathering for renewing friendships from previous conferences or meeting for the very first time. You want an upbeat atmosphere, nothing too structured, great music, food stations that invite moving about and interaction with the crowd.

The closing banquet

has to create lasting memories and to reflect your company image; fun, but it must be first class; entertaining and within budget.

Transportation

Planning We can help you plan your programs from arrival to departure.

Way of transport

From executive sedans, spacious minibuses, and deluxe motorcoaches, we can provide a wide variety of vehicles to meet your transportation needs.

Assistance

All transfers can be accompanied by multi-lingual hostesses and guides.

Special transport

Why not a horse drawn transfer and give your delegates something to remember

Tours & Sightseeing

We offer a wide variety of tour options ranging from a few hours or a full day tour to pre and post meeting tours.

Shopping, sightseeing, historic tours, museums, wine tours and tasting, as well as nature tours are only some of the options has to offer.

Tours can also be custom tailored to coincide with meeting times for guests of attendees.

Accommodation

Algarve and Costa de Huelva (South of Spain) offers a wide variety of excellent accommodation properties from 5, 4 and 3 star hotels to the tourist villages at competitive prices.

We can handle all the invitations with your faculty & congress/event delegates and meet their individual requirements.

We will negotiate with hotels, book rooms blocks and handle reservations.

On site and staff

Multilingual hostesses & secretarial staff, professional guides and technicians will be present to handle all the important duties required on and behind the scenes to make your event a success.
